

## Targets and Objectives

Record environmental targets and objectives set in the Environmental Policy and EIR here, with actions required to achieve these on the site improvement action plan.

All targets and objectives are the responsibility of the responsible manager. Any capital expenditure must be approved by an appropriately authorised manager.

The targets and objectives may be categorised into the four following groups:

---

### Physical conditions

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

---

### Environmental training

.....

.....

.....

.....

.....

.....

.....

.....
