Quarry Management

AggNet

In Print & Online

We Are Recruiting

- Asphalt Plant Operators
- Project Engineers
- Mechanical / Electrical Engineers

With over 110 years experience, Parker Plant Limited has established itself as the leading solution for quarrying, construction, road infrastructure and recycling projects throughout the world.

Due to continued business growth Parker Plant Limited are seeking industry professionals to support our operations:

- Industry experience desirable, in-house training available.
- Competitive salaries (OGE) & benefits.

If you are interested in joining a growing and successful business, please email your CV to the attention of Peter Deane at info@parkerplant.com

Quarry Manager, Penderern
South Wales

Headquartered in South Wales, we are seeking a quarry manager for our Penderern quarry, near Swansea.

This role is responsible for all day-to-day activities, including the safe, profitable and compliant operation of the quarry. The successful candidate will also be the effective management of the site, leading the operational team and ensuring optimum production levels. They will also oversee the quarry's compliance with all relevant legislation, including health and safety and environmental requirements. In this role you will also be responsible for managing the quarry's workforce.

A self-starter with good communication skills, you will be responsible for the quarry's operational performance, ensuring that you are always up to date with quarry operations. You will also be responsible for the quarry's compliance with all relevant legislation, including health and safety and environmental requirements.

Successful candidates should send their CVs to info@hillsquarry.com by 10 July 2024.

Please ensure you are clearly able to work in this role before applying for the role.

Hills Quarry Products

DIVISIONAL MANAGING DIRECTOR - HILLS QUARRY PRODUCTS

Hills Quarry Products has an exciting opportunity for an experienced Divisional Managing Director to join our team and lead our division based in the West Midlands. This role has a reporting line to the Group Managing Director and is a senior position within the Hills Quarry Products Ltd. You will be working alongside a production, operations, and equipment service management team, and reporting to the Hills Group Chief Executive.

You will join on a full time, permanent basis and you will be based in our West Midlands division. You will be responsible for the division's overall performance and will be a key member of the Hills Group's senior management team.

For more information and to apply, visit our careers website careers.hillsquarry.com. Initial interviews are scheduled to be held on 10 and 13 June 2024.

AggNet

Join Our Team: Assistant Quarry Manager

AggNet is seeking a highly motivated and experienced Assistant Quarry Manager to join our team.
